TWO DAY
NATIONAL SEMINAR
MARCH 14th & 15th 2017

EMERGING VISTAS IN RESEARCH METHODOLOGY

Organised by
Govt. College of Teacher Education, Kozhikode
Re- Accredited by NAAC with 'A' grade

Dear Sir/ Madam,

We, the fraternity of Govt. College of Teacher Education Kozhikode, are indeed elated and proud to intimate that we are conducting a Two day National Seminar on **Emerging Vistas in Research Methodology** on 14th & 15th March 2017. Without criss- crossing the limits of modesty, we submit that GCTE founded in 1950 has been Re- Accredited by NAAC with 'A' grade and it speaks volumes of GCTE's lineage and meritorious contributions to the field of Teacher Education. The college runs B. Ed., M. Ed. and Ph. D. programmes in Education.

Educational research aims to ascertain principles and develop procedures in the field of education. It connotes studious academic work and scientific speculations wherein the researcher diligently toils to bring to light what he/she thrives for. As knowledge and technology are advancing, one has to be well aware of the current developments in the realm of Research Methodology. Keeping this in mind, our seminar aims to explore and promote the basic dimensions of research and the indispensable need to rethink about the assumptions that underlie the historic paradigms of research.

We request your esteemed presence without fail on this occasion.

Dr. Abdul Kader Parambat
Principal

Dr. Syamala Devi M. B.
Convenor
